

MedStar Health

Our MedStar Radiology Network at Lafayette Centre.

Our MedStar Radiology Network offers services on the 8th floor of Building 2. These services include 3D mammography, CT, cardiac calcium scoring, DEXA, ultrasound, and X-ray. If you are in need of an MRI, this service is offered at the MedStar Health Orthopaedic and Sports Center, located in Level A of Building 1 South.

Lafayette Centre Building 2 lobby entrance from the courtyard

Radiology check-in desk on the 8th floor of Building 2

From the 21st Street parking garage

- From the garage, enter Building 2 and use the touchscreen on the outside of the destination elevator to select "Lobby." The elevator may take a few moments to arrive after making your selection. Thank you for your patience.

From the street or Metro

- Enter the Building 2 lobby from the courtyard, accessible from 21st Street or 20th Street.
- Using the touchscreen on the outside of the destination elevator, select the 8th floor, and the touchscreen will display which letter elevator (A, B, or C) you should use. If assistance is needed, our MedStar Health associate located to the right of the lobby can assist.
- You will immediately see the Radiology check-in desk as you exit the elevator on the 8th floor.

For MRI, please go to our Orthopaedic and Sports Center on Level A of Building 1 South.
