Healthcare careers take the SPOTLIGHT

Your generous donations will help the stars of tomorrow—Southern Maryland students pursuing careers in health care. Since 2001, 174 scholarships have been awarded; five additional were announced in 2022. Last year, MedStar St. Mary's Hospital created a Scholarship Endowment to support the program in perpetuity with the hopes of continuing to grow our workforce. Funds raised at this year's Gala will support current scholarships and the endowment goal of \$2.5 million to ensure assistance for generations of future healthcare workers.
