Books

1. Breast Cancer: Facts and Myths, By **Al-Refaie Waddah**, Eva S. Singletary, Hilal M. Al-Sayer, and Alice Judson. A collaborative effort funded by Kuwait Foundation for Advancement of Science with Dr. Eva Singletary (of Univ. of Texas M.D. Anderson Cancer Center), Professor. Hilal M. Al-Sayer (former Dean of Kuwait Medical School and Kuwait's Minister of Health), and Alice Judson (nurse practitioner at the Univ. of Texas at M. D. Anderson). Given the high incidence rates of locally advanced breast cancer and growing interest in women's health initiative in the Middle East, this book serve as an education tool, which has been distributed to Arabic speaking women throughout the Middle East and its cancer societies. 2001, July
